2017 ASQ UAE TEAM INNOVATION AWARD

APPLY BEFORE 31 JULY, 2017

In line with the vision of UAE leaders, ASQ is delighted to announce the first cycle of the 2017 ASQ UAE Team Innovation Award (TIA).

This prestigious award, approved by ASQ leadership, is for innovative teams in organizations. The award recognizes innovative models and frameworks, efforts, and success of organizations' outstanding and proven practices.

Award Model and Criteria

The award welcomes team-based submissions in two categories:

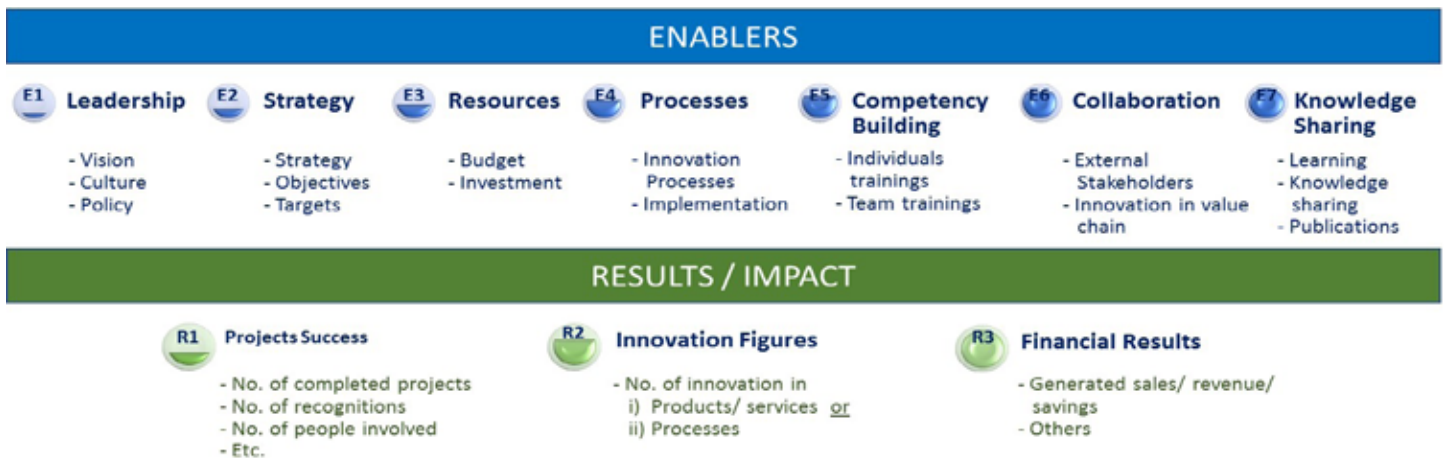

- (i) Product/Service innovation
- (ii) Process innovation

Applicant teams should demonstrate a company-wide innovation program, made successful with best practices and processes applied in the entire organization.

These programs include leadership and commitment to innovation, driven by a comprehensive innovation strategy, objectives, and processes, including strong partnerships and robust internal learning process, leading to enhanced performance and a positive impact on the business.

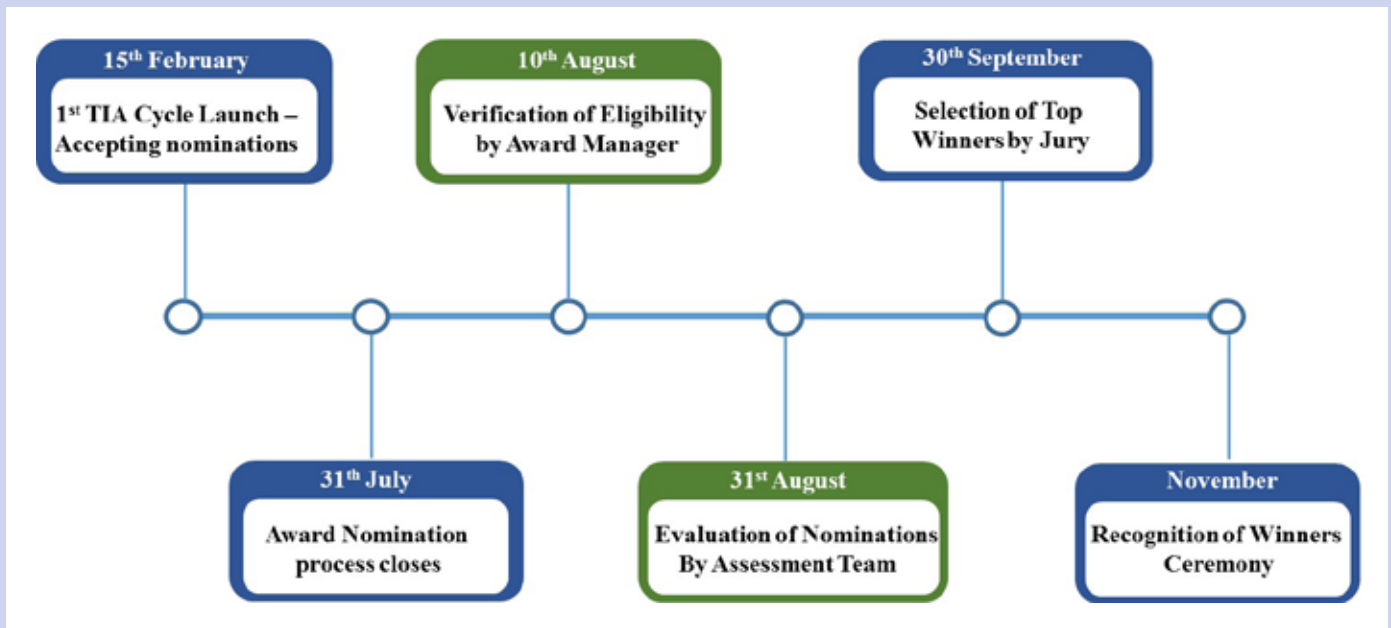

To receive the nomination form and details, teams should confirm their intention to participate at contact@asquae-award.org.

Nominations are open from 15 February – 31 July, 2017.
